The Canadian Rifle Team has not arrived, but is expected to-day.

The Times to-day publishes a copy of Gov. Tilden's income return for 1885, which shows his total income to be \$371,106. It publishes also a statement claiming to show the true taxable income was \$108,000, and alleges that in that year the Government lost \$4,236 by the fraudulent return.

FROM THE POLITICAL WORLD

Prohibition Rally.
By American Press Association to the STAR.

BOSTON, MASS., Sept. 8.—The Prohibitionists held a rally at Faneuil Hall last night. A large crowd was present, and speeches were made by Rev. A. A. Miner, D.D., Mrs. Mary Livermore, and Bishop Haven.

Carl Schurz in Chicago.
CHICAGO, Sept. 8.—Carl Schurz received an ovation last night. He addressed an immense audience in German at McCormick's Hall. The torchlight procession was the most extensive seen here this season.

New York Democracy.
NEW YORK, Sept. 8.—The Democratic State Executive Committee met here yesterday for organization. Daniel McGone, Jr., will be Chairman, Attorney General Fairchild, Treasurer, and E. K. Asgar Secretary of the Sub-Campaign Committee. The Central Committee will meet at Saratoga next Tuesday. The name of Hon. DeWitt C. West is prominently mentioned in connection with the Governorship.

Congressional.
MEMPHIS, TENN., Sept. 8.—The Democratic Convention of this district (Tenth) renominated Col. H. L. Casey for Congress by acclamation.

ELGIN, ILL., Sept. 8.—After a hard contest and considerable bitter feeling the Republican Congressional Convention of this district nominated Wm. Lathrop, of Rockford County.

He Accepts.
BOSTON, Sept. 8.—Charles Francis Adams has accepted the Democratic nomination for Governor.

FOREIGN.

FROM THE ORIENT.
SAN FRANCISCO, Sept. 8.—The Pacific Mail steamer City of Peking arrived from Hong Kong via Yokohama, bringing news from Hong Kong to August 15.

The report of the massacre in Kingknafar is fully confirmed. The Roman Catholic church was destroyed, the officiating priest tortured and killed, and his assistant torn in pieces. Dead bodies were taken from graves and defiled, and hundreds of the congregation slain. The French Minister is taking active steps to secure the punishment of the guilty parties, among whom are numerous officials of rank. Several other assaults and murders of Christians have followed, and forty buildings destroyed. The damage to property is estimated at \$60,000.

The difficulty with England continues unsettled. The authority recently granted by the Pekin Government to Viceroy Shen, of Nanking, proves to be insufficient, and the British Minister having signified his dissatisfaction, Viceroy Leung Chang has been appointed to confer. This latter official, however, postpones visiting China, the place of meeting, and it is reported that he is detained in Tientsin by fear of violence from his own subordinates who utterly oppose submission to British demands.

The situation appears more critical daily. Taku Forts are strongly reinforced, and Peking River is obstructed. The Chinese Government is greatly embarrassed by the renewed revolts and intrigues of secret societies and by want of money, native bankers refusing to make any further advances.

THE TURKISH WAR.
VIENNA, Sept. 8.—The Turkish attacked Ragusa, and were driven beyond Sarajewo with considerable loss. Turkish atrocities continue. Wounded Russians are tied to trees and roasted alive, and girls are outraged and flayed alive. The Sultan was invested with the sword of Osman yesterday. The Porte refused to agree to an armistice, and the refusal is maintained.

Russia is expected to send immediately its ultimatum to Constantinople by Ignatieff, who is now at Warsaw.

The Turks crossed Scutia yesterday and carried two fortified rocks held by the enemy, but were ultimately repulsed and forced to retreat.

THE POPE ILL.
PARIS, Sept. 8.—It is reported here that the Pope is suffering from a dangerous attack of gastric fever.

STRECK AN ICEBERG AND SUNK.
LIVERPOOL, Sept. 8.—The steamer Arbutator, from New Orleans for Liverpool, struck an iceberg August 3 and sunk.

The crew was saved. Wallace was her Captain and classed as a No. 1. The steamer was 1,202 tons, draft 17 feet, built in 1872 and belonging to T. & J. Harrison, of Liverpool. Her dimensions were 219 feet long, 32 beam and 17 hold.

South Carolina Riots.
By American Press Association to the STAR.

CHARLESTON, S. C., Sept. 8.—A serious riot occurred here Wednesday night, growing out of a street attack by colored Republicans upon some colored men who have taken a conspicuous part in the Democratic canvass. A small body of whites endeavored to defend the Democratic negroes, but were overpowered by the rioters after a severe fight in which pistols were freely used on both sides.

The rioters held King street, the main thoroughfare, from midnight till sunrise, breaking windows, robbing stores, and attacking and beating indiscriminately

every white man who dared to show his face. A large number of persons were injured, mostly whites. Several of those shot are in a critical condition.

Intense excitement prevails, and the feeling being that the trouble is not over yet. The riotous proceedings of the rice-field strikers on the Combahee have been resumed, and the situation is regarded as serious.

New York, Sept. 8.—The Herald's special from Charleston says the riot yesterday originated in a threat by colored men of the Liveoak and Hunkidora Clubs, Republican, to break up the meeting of the Hampton and Tilden Club of the Fourth Ward, at Archer's Hall, and kill the colored members.

The whites thereupon resolved to escort the colored men to their homes. After the meeting a procession was formed, each colored Democrat being in the center of half a dozen whites. Opposite the Citadel on Green street about one thousand negroes, armed with clubs and pistols, came yelling at them, knocked a white man down with a slung-shot, and they shouted that they wanted to kill the colored Democrats.

One of them fired a pistol into the crowd of whites. The whites returned the fire and they took several colored Democrats to the Citadel for safety. The mob increased, there being about three or four hundred whites. A hand to hand fight followed and many shots were fired.

Justice Reed then appeared and called for a posse to quell the riot, but to no effect. A colored policeman, Charles Green, and J. W. Buckner, white, were shot in the abdomen. Many whites were knocked senseless. The whites were finally reduced to fifteen men, and the negroes were masters of the field.

The whites took refuge in the guard-house. The streets were filled with negroes who assaulted every white man they saw and threatened to break into the guard-house to kill the whites. Many of the whites who were unaware of the disturbance were waylaid and almost beaten to death in the streets.

A reporter of the News and Courier was hit with a slung-shot. The police were too few to arrest the rioters. A white person could not appear on the street without running the gauntlet of a dozen pistol shots. Buckner (white) died yesterday of his wounds.

Minor Mentions.
By American Press Association to the STAR.

BOSTON, Sept. 8.—The White Pine Iron Foundry, at Hingham, Mass., with adjoining buildings, was burned this morning. Loss \$25,000. Partly insured in the Etna and Royal Companies.

Hudson, N. Y., Sept. 8.—An attempt was made early this morning to destroy the Presbyterian church in the village of Catskill. Several clapboards were pulled off and the ceiling saturated with benzine, which was then lighted. The fire was providentially discovered by a belated citizen and put out.

Jersey City, N. J., Sept. 8.—Edward Kemball was arrested last night in this city on the charge of seduction. He is well connected in Elizabeth city. The charge was made by a handsome young lady who gave her name as Elizabeth Grandall, who is said to be the daughter of wealthy parents residing in that city. She has been engaged for four months, and vainly endeavored to persuade Kemball to marry her to save her from disgrace. He was bound over to the Elizabeth authorities.

Bank Robbery.
By American Press Association to the STAR.

CHICAGO, Sept. 8.—A special from Minneapolis states that the First National Bank of Northfield, Minn., was suddenly attacked at 2:30 yesterday afternoon by eight mounted men, who, after killing the Cashier and wounding the Teller, plundered the vault, and attempted to escape two of the robbers were killed in the streets. The Sheriff with a large posse of citizens left in pursuit of the gang.

People began to think of removing things from their cellars Thursday morning.

Decensed—Shooting Affray.
By American Press Association to the STAR.

NEW ORLEANS, Sept. 8.—Chief Justice E. G. Peyton, of Mississippi, died at Jackson Tuesday. He was seventy-six years of age.

A shooting affair occurred at noon yesterday between Henry L. Smith, a Times reporter, and Gen. L. J. Sour, a Republican member of the Legislature from Averhill. Smith was slightly and Sour mortally wounded.

The New Jersey Sports.
By American Press Association to the STAR.

By American Press Association to the STAR.

A Knowing Dog.
There is a knowing dog, who lives on the West Side. A day or two ago, his master feeling too ill to go out, sent a negro boy to buy meat for the dog. Being unable to obtain the meat at the nearest market, the boy undertook to go to another, but the dog refused to let him come out of the first one without the meat. At length the boy showed him the money, which he still retained, and the dog permitted him to go, but instead of running before him as at first, kept by his side, giving an occasional growl as an indication that he was not to be trifled with, and evidently under the impression that his funds were in danger of being embezzled.
